1- PLAY IS AT YOUR OWN RISK.

4- It is permitted that a member play with guests. The member must accompany guests to and from the courts, must apprise them of these rules and is responsible for their actions.

5- Members who have previously played on any calendar day must yield a court to a member who has not yet played on that day.

6- The gate MUST be locked upon leaving.

7- Place all trash in the receptacle outside the gate.

8- Please be courteous. Refrain from excessive conversation. Wait until play has stopped before crossing a court.
